## Irish Potato Bites

### Ingredients

20 small red potatoes

1/2 c corned beef

1/3 c cheddar cheese, shredded

1 tbl. Butter

1/4 salt

Sour Cream for serving

### Directions

Boil potatoes until they are fork tender. Pre-heat oven to 400 degrees. Once potatoes are cooked and have cooled, cut each one in half and cut a small slice off of the rounded end so the potatoes sit up straight. Scoop out the inside of each potato half saving the potato insides in a bowl. Add corned beef, cheese, butter salt and the saved potato insides. Mix thoroughly until combined.

Scoop mixture into potato halves and place them on pan. Bake for 10 minutes or until cheese is melted. Remove from oven and serve with a dollop of sour cream if desired.
