Summary:
City of Hobbs has previously adopted the Motor Vehicle Code (NMSA 1978, §66-1-1, et seq.). NMSA 1978, §3-17-6(A)(8), allows a municipality to adopt its own traffic code. The traffic code utilized by New Mexico municipalities is the Uniform Traffic Ordinance (UTO). NMSA 1978, §3-17-6(B), allows a municipality that adopts the UTO to exclude certain provision of the UTO if there is no Motor Vehicle Code equivalent. The UTO allows a municipality to adopt a Penalty Assessment Program which allows the municipality to set fixed fines for Penalty Assessment Misdemeanors.

Hobbs Municipal Code Section 1.12.100 sets out the process for payment of traffic fines which the new Chapter 10 will cover in detail. Notice of this proposed change has been published in the Hobbs News-Sun on July 10, 2016 and July 17, 2016.

C. The term "penalty assessment misdemeanor" does not include a violation that has caused or contributed to an accident resulting in injury or death to a person.

D. When an alleged violator of a penalty assessment misdemeanor elects to accept a notice to appear in lieu of a notice of penalty assessment, a fine imposed upon later conviction shall not exceed the penalty assessment established for the particular penalty assessment misdemeanor and probation imposed upon a suspended or deferred sentence shall not exceed ninety days.

E. The penalty assessment for speeding in violation of Section 12-6-1.2(A)(4), regarding speeding in a construction or safety zone posted as a double fine zone, shall be twice the penalty assessment for speeding for the equivalent miles per hour over the speed limit set out under the adopted Penalty Assessment Program contained herein.

F. Nothing contained in this chapter is intended to diminish the Municipal Judge’s authority to designate the specified offenses under the traffic ordinance to which fines may be accepted by the traffic violations bureau under Section 12-11-2 of the Uniform Traffic Ordinance.

10.04.060 Uniform Traffic Ordinance – Fees

A. As outlined in Section 12-12-1.3 of the Uniform Traffic Ordinance, and Section 1.16.020 of the Hobbs Municipal Code, any person convicted of violating any provision of the traffic ordinance shall be assessed the following fees in addition to the individual prescribed penalty for each violation:

1. A Corrections fee of twenty dollars ($20.00);
2. A Judicial Education fee of three dollars ($3.00);
3. A Court Automation fee of six dollars ($6.00).

B. In addition to the fees outlined herein, any person convicted of violating any provision of the traffic ordinance shall be assessed a "penalty assessment fee" of ten dollars ($10.00) which, upon collection, shall be deposited in a special fund in the municipal treasury for use by the municipality only for municipal jailer training; for the construction planning, construction, operation and maintenance of the municipal jail; for paying the costs of housing the municipality’s prisoners in other detention facilities in the state; or complying with match or contribution requirements for the receipt of federal funds relating to jails. However, if the municipality has a balance in this special fund that is over the amount projected
to be needed for the next fiscal year for the purposes set forth in this subsection, the municipality may transfer the unneeded balance to its general fund.

C. In addition to the fees outlined herein, and as outlined in Section 12-6-12.2(O) of Uniform Traffic Ordinance and Section 1.16.060 of the Hobbs Municipal Code, any person convicted of driving a motor vehicle while under the influence of intoxicating liquor or drugs in violation of 12-6-12.1(A), (B), (C), or (D) shall be assessed, in addition to any other fee or fine, the following fees:

1. a fee of eighty-five dollars ($85.00) to defray the costs of chemical and other tests utilized to determine the influence of alcohol or drugs;

2. a fee of seventy-five dollars ($75.00) to fund comprehensive community programs for the prevention of driving while under the influence of intoxicating liquor or drugs or for other traffic safety purposes.

The municipality shall maintain these fees in separate funds and transfer the fees collected in this subsection to the administrative office of the courts for credit to the crime laboratory fund and the traffic safety fund. No reference to the State DWI provision (NMSA 1978, §66-8-102) in Section 1.16.060 of the Hobbs Municipal Code shall operate to conflict with or override this provision.

D. As used in the Uniform Traffic Ordinance, “convicted” means the defendant has been found guilty of a criminal charge by the Municipal Judge, either after trial, a plea of guilty or a plea of nolo contendere, or has elected to pay the penalty assessment in lieu of trial.

E. All fees outlined herein shall be distributed as prescribed by law and outlined in the Uniform Traffic Ordinance, the Hobbs Municipal Code, and State Statutes.

10.04.070 Penalty Assessment Misdemeanors – Option and Effect

A. Unless a warning notice is given, at the time of making an arrest for any penalty assessment misdemeanor the arresting officer shall offer the alleged violator the option of accepting a penalty assessment. The violator’s signature on the penalty assessment notice constitutes an acknowledgment of guilt of the offense stated in the notice.

B. Payment of any penalty assessment must be made to the Hobbs Municipal Court either online, via mail, or in person at 301 N. Turner, Hobbs, New Mexico 88240. Payment of any penalty assessment must be made within thirty (30) days from the date of arrest. Payments of penalty assessments are timely if postmarked within thirty days from the date of arrest. The traffic violations bureau may issue a
receipt when a penalty assessment is paid by currency, but checks tendered by the violator upon which payment is received are sufficient receipt.

C. No record of any penalty assessment payment is admissible as evidence in any court in any civil action.

10.04.080 Penalty Assessment Misdemeanors – Failure to Pay / Failure to Appear

A. If a penalty assessment misdemeanor is not paid within thirty (30) days of arrest, the violator shall be prosecuted for the violation charged on the penalty assessment notice in a manner as if a penalty assessment notice had not been issued. Upon conviction the Court shall impose the penalties provided in the traffic ordinance.

B. In addition to the underlying penalty assessment misdemeanor and applicable fees, the violator may be charged with a misdemeanor when that individual has elected to pay a penalty assessment and fails to do so within thirty (30) days from the date of arrest.

C. The Municipal Court shall notify the state division of motor vehicles when a violator fails to pay a penalty assessment imposed by the Court within thirty (30) days. The division of motor vehicles may suspend the instruction permit, driver’s license or provisional license of the violator without preliminary hearing upon a showing by its records that the violator failed to pay the penalty assessment.

D. When an alleged violator of a penalty assessment misdemeanor elects to accept a notice to appear in lieu of accepting a penalty assessment, it is a misdemeanor for any person to violate his written promise to appear in court, given to an officer upon issuance of a uniform traffic citation, regardless of the disposition of the charge for which the citation was issued.

10.04.090 Uniform Traffic Ordinance – Time of Taking Effect

Upon passage of the same, the Uniform Traffic Ordinance as outlined herein shall take effect on September 05, 2016, as allowed by the Uniform Traffic Ordinance Section 12-13-6. This ordinance does not have a retroactive effect and does not apply to any traffic accident, to any cause of action arising out of a traffic accident or judgment arising therefrom, or to any violation of the traffic ordinance of this municipality, occurring prior to the effect date of this ordinance, September 05, 2016.
PASSED, ADOPTED AND APPROVED this 1st day of Aug., 2016.
