- E. The penalty assessment for speeding in violation of Section 12-6-1.2(A)(4), regarding speeding in a construction or safety zone posted as a double fine zone, shall be twice the penalty assessment for speeding for the equivalent miles per hour over the speed limit set out under the adopted penalty assessment program contained herein.
- F. Nothing contained in this chapter is intended to diminish the Municipal Judge's authority to designate the specified offenses under the traffic ordinance to which fines may be accepted by the traffic violations bureau under Section 12-11-2 of the Uniform Traffic Ordinance.
