To: Mayor, City Commission, City Staff and Citizens of Hobbs

Attached is the City Manager's Monthly Report for the month of April, 2025. This report provides general and performance information to the City Commission and the public on programs and services provided by the City. The data is compiled internally by each department/division for the purpose of improving services, responsible budgeting and enhancing transparency in local government.

The City of Hobbs had their Annual Employee Breakfast on April 11th, at the Senior Center. This event is presented by the Social Wellbeing Committee and the cooking is done by the Department Heads. The breakfast included pancakes, eggs, bacon, sausage, coffee and juice. The turn out was fantastic and everyone had a great time socializing and eating breakfast!

Sincerely,

Julie Nymeyer, Executive Assistant

The Division manages a Geo-database, which encompasses 1,000 data features for the various categories. The Division is overseeing the Aerial LIDAR / Mobile LIDAR / Aerial Imagery project being performed by BHI (Bohannon Huston Inc.). A technical demonstration of our Mobile Lidar points is being hosted on a third-party website visit <http://hobbslidar.com> (Note: launch in Google or Firefox web browser)

Field Work Project with County: The County Planner contacted the City to request GIS data to assist citizens in the ETJ. Due to the data size, he visited on April 14 to complete the exchange. During the visit, we discussed annexations, the BAS, and upcoming fieldwork. When the City mentioned plans to collect annexation data in the field, the County Planner asked to observe the process. The City agreed, and on April 25, both teams visited the RVillas to capture property corners. Afterward, the City demonstrated how the data is processed and added to the GIS. The County Planner expressed appreciation, and both parties plan to continue regular data exchanges.

Bus Route Map Project: The Clerk's Office and City Manager's Office requested updated bus route maps from the GIS Division due to changes at the Nor-Lea Clinic stop. However, a 2021 hard drive crash required the GIS team to rebuild all related data from scratch. During the rebuild, GTFS data was added to support future bus route updates. After completing the dataset, the GIS Division reconstructed the map in ArcGIS Pro. Although some ArcGIS Pro features were expected to streamline this process, technical issues required manual adjustments to nearly all 408 route sub-segments to reduce overlap.

Gift Maps: The City Manager's Office assigned the GIS Division a time-sensitive task to create four high-quality maps, which were gifts for the City's state legislators. For House District 61, the map showed estimated groundwater depth using USGS data; for District 62, it featured active oil and gas wells using OCD data. Finding suitable data for the

Senate districts proved challenging, but the team ultimately created demographic maps based on 2020 Census data and legislative interests. The map for Senate District 42 included land ownership (federal, state, private) and estimated cattle distribution, based on BLM, State of NM, and UN FAO data.

The Month's Buffer Maps: During the month of April the GIS Division completed the following buffer maps (2) for use in Cannabis or Liquor License applications. These maps required a detailed search for church and school properties in the area of the requested address to comply with the City of Hobbs' regulations.

ATTORNEY/CLIENT PRIVILEGED INFORMATION PURSUANT TO RULE 16-106 NMRA

CITY ATTORNEY'S REPORT

April 2025

Mission Statement:

To zealously represent the City of Hobbs and its departments in all legal matters. To create a culture of adherence to the strictest standards of ethics; and to foster an atmosphere where laws are formulated and enforced equally, with respect and dignity for all people.

Duties Required by Law:

The City Attorney's duties are outlined in Hobbs Municipal Code Section 2.08.070. In compliance with those duties, the City Attorney's Office provided assistance and legal advice both verbally and in writing to the Mayor, City Commission, City Manager, department heads, and staff on various legal topics for the month of April. The substance of this advice is not disclosed herein as it likely constitutes "Attorney/Client Privilege" pursuant Rule 16-106 NMRA.

Public Meetings:

In an effort to provide legal guidance to the City Commission and all advisory boards, each attorney with the City Attorney's Office is required to serve as a legal advisor to an assigned public body. The role of the assigned attorney is not to conduct the affairs of the public body, rather, it is to ensure compliance with the Open Meetings Act (NMSA 1978, §10-15-1, et seq.) and the various sections of the Hobbs Municipal Code that apply to the given public body.

For the month of April 2025, the public meetings attended by the City Attorney's Office were:

- ❖ Hobbs City Commission – Medjine Desrosiers-Douyon (04/07; 04/21)
- ❖ Cemetery Board – Amber Leija (N/A)
- ❖ Community Affairs Board – Medjine Desrosiers-Douyon (N/A)
- ❖ Library Board – Amber Leija (N/A)
- ❖ Lodger's Tax Board – Medjine Desrosiers-Douyon (04/09)
- ❖ Planning Board – Medjine Desrosiers-Douyon (N/A)
- ❖ Utilities Board – Amber Leija (04/03)
- ❖ Labor Relations Board – Medjine Desrosiers-Douyon (N/A)
- ❖ Veterans Advisory Board – Amber Leija (N/A)

The contributions to the public meetings by the City Attorney's Office were:

❖ Public Hearings/Presentations	1
❖ Agenda Items drafted	2
❖ Resolutions Drafted	0

The City Attorney's Office is charged with ensuring compliance with New Mexico State Statutes requiring local government compliance. Some of these laws include the Inspection of Public Records Act (NMSA 1978, §14-2-1, et seq.), the Governmental Conduct Act (NMSA 1978, 10-16-1, et seq.), the Procurement Code (NMSA 1978, §13-1-1, et seq.), and the Open Meetings Act (NMSA 1978, §10-15-1, et seq.)

❖ Procurement Review	1
❖ Contract Review	15

Litigation:

The City Attorney's Office engages in litigation both in the criminal and civil settings. Unlike many public law offices, the City Attorney's Office engages in the practice of law in a multitude of legal disciplines. The spectrum of cases handled by the City Attorney's Office requires that each attorney in the office develop and retain a variety of skills and abilities so as to provide competent representation to the organization in any given case.

Legal Assistants, Courtney Packer and Heather Bara, calendar all events for the attorneys, gather all necessary documents for litigation, assist in the management of the budget, and conduct various other tasks that greatly assist operations for the City Attorney's Office. Assistant City Attorney, Amber Leija, prosecutes all criminal matters filed in the Hobbs Municipal Court. Deputy City Attorney Medjine Desrosiers-Douyon, represents the City of Hobbs in property disputes, employment matters, and other civil issues, advises management and elected officials on legal issues and also oversees the operations of the City Attorney's Office.
